2. **Patient Consent.** By signing item 20 the **patient** (or parent or other authorized representative) consents to the use and disclosure of information relating to the services provided by the dentist or health care professional for the purpose of treatment, payment or health care operation, including submission of a claim for dental benefits to a provider or administrator of dental benefit plans. This consent will be valid for as long as the patient is entitled to coverage under a dental plan. You are entitled to a copy of this consent. This consent may be revoked in writing delivered to your dentist or health care professional, but such revocation will not affect any action taken in reliance on this consent prior to revocation. Upon receipt of revocation or refusal to sign a consent, your dentist or health care professional may decline to provide or continue treatment. If this consent is signed by the authorized representative of the patient, the relationship of the authorized representative must be provided in item 20.
3. You must sign the claim form in item 21.
4. You can arrange for MetLife to make payment directly to the dentist by completing item 22. If you wish benefits to be paid directly to yourself, do not complete item 22. In either case, a statement of benefits paid will be sent to you.

Information for Attending Dentist

1. Benefits are payable in accordance with four Classes of Services. It is therefore important that a separate fee is indicated for each item of service performed.
2. If total charges for a course of treatment are expected to be \$300 or more, check the box noted "Pretreatment estimate" and complete items 23 through 39. The completed claim form should be sent to the address shown below **prior to the commencement of the course of treatment**. MetLife will review the claim (and any supplementary information required) and notify your patient of the benefits payable.
3. If the address where treatment was performed is different than the mailing address in item 24, complete item 40.
4. Generally, we do **not** request x-rays where standard filling materials are used. Pre-operative x-rays are requested **only** in connection with prosthetics, fixed bridgework, or cast restorations. Occasionally we may request x-rays that relate to other dental services.
In an effort to reduce your costs and inconvenience, we request your cooperation in submitting x-rays **only** in the above mentioned circumstances or when specifically requested. This will also enable us to expedite the processing of a pretreatment estimate.
5. If authorized by the employee, benefit payments will be made directly to you.
